WORKSHOPS
PLANNED**

The European IVF Monitoring (EIM) consortium

*Collecting
yearly data about
assisted reproductive
technology since 1997
in about 40 European
countries*

**ART in Europe, 2020, results generated
from European Registries by ESHRE**
Human Reproduction, September 2025

ART in Europe, 2023
Presented in session 48

The Preimplantation Genetic Testing (PGT) consortium

*Collecting yearly
data about
preimplantation
genetic testing
since 1997 in
clinics around the
world*

**ESHRE PGT Consortium data collection
XXII-XXIV: PGT analyses in 2019-2021**
Human Reproduction, June 2026

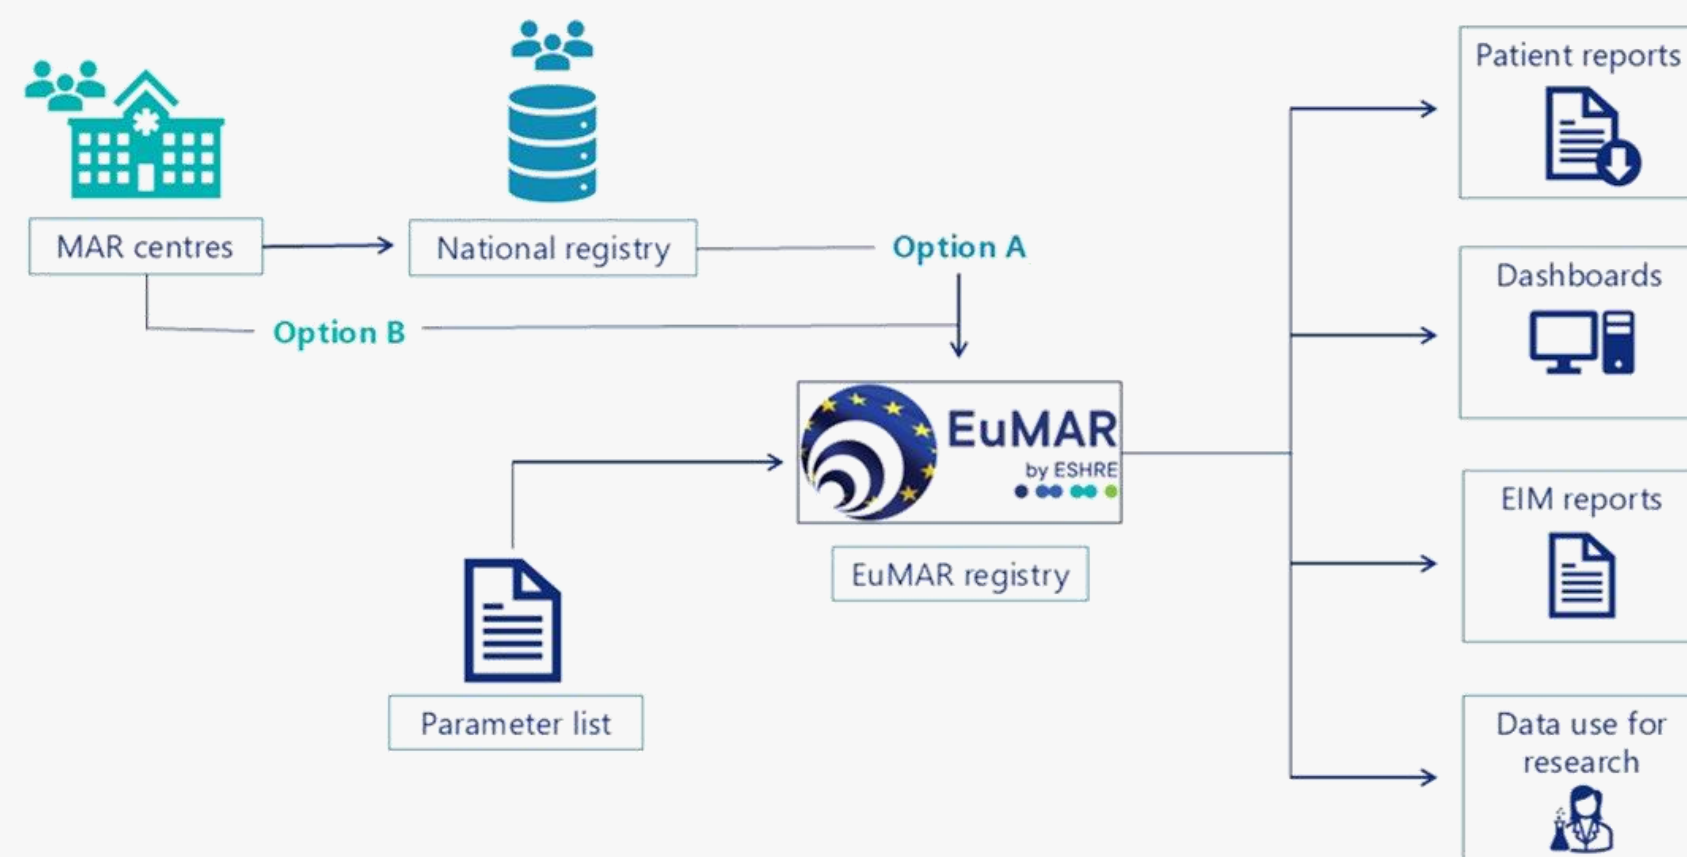

**Data from the ESHRE PGT Consortium -
year 2024**
Presented in session 10

Studies and Data Collection

EuMAR

The EuMAR registry

EU-FUNDED PROJECT 2023 – 2025

Funding programme: **EU4Health**

Total funding: **1,880,517€**

EU contribution: **1,128,310€**

Aim: Increasing the value of MAR registries by establishing a cycle-by-cycle registry of high-quality, cumulative, and cross-border data.

Pilot study:

- 6 Months
- 4 Countries
- 39 MAR Centres
- More than 25,000 patients and partners

ESHRE will continue the development of the EuMAR Registry

EuMAR 2.0 Data collection is planned before the end of 2026

Accreditation and Certification

Training Centre Accreditation of Subspecialist Training Programme in Reproductive Medicine

Attests good in-house facilities and expertise to provide adequate training for fertility professionals

1 Centre accredited in 2025
Accredited centres: 14

ART Centre Accreditation for Good Clinical Practice

Aims to acknowledge the work of those centres that comply with recommendations of good clinical and laboratory practice

10 Centres accredited in 2025
25 Centres accredited since 2019

Embryology Training Centre Accreditation

Attests meeting the requirements for specialist training of embryologists, including use of an approved training syllabus and logbooks to record both practical training and competence assessment

First centre accredited in 2026

Accreditation and Certification

CERTIFICATION FOR EMBRYOLOGISTS

SENIOR CLINICAL EMBRYOLOGISTS

- 151 Applications
- 66 Certified
- 1197 since 2008

CLINICAL EMBRYOLOGISTS

- 241 Applications
- 108 Certified
- 1395 since 2009

CERTIFICATION FOR NURSES & MIDWIVES

EXAM 2025

- 24 Applications
- 21 Certified

CERTIFIED SINCE 2015

- 221 Individuals

CERTIFICATION FOR REPRODUCTIVE ENDOSCOPIC SURGEONS

PROGRAMME PAUSED IN 2025

- Relaunch @ESHRE 2026
- In close collaboration with GESEA

ECRES Certification Session & Symposium
November 2026 in Maribor

EUROPEAN FELLOWSHIP IN REPRODUCTIVE MEDICINE

EXAM 2025 2 levels

- 38 Applications
- 13 Certified

CERTIFIED SINCE 2018

- 53 Individuals

Guidelines & Recommendations

Setting standards for quality of care in reproductive care

Manual for ESHRE guideline Development

Recently updated

Full portfolio of Guidelines and Good Practice Recommendations

Steady increase in new guideline documents and regular updates of documents, ensuring high-quality, evidence-based standards in reproductive medicine

ESHRE funds excellent research projects filling research gaps

ESHRE will award two grants in 2026

GRANT 2026-1 :

Theme:

**The blastocyst–
endometrial dialogue**

Budget:

€ 100 000

61 EOIs received

GRANT 2026-2 :

Theme:

**The impact of adiposity
on ART outcomes**

Budget:

€ 250 000

73 EOIs received

Support the field through focusing on policy

Research Agenda

List of topics related to infertility where further research is anticipated to have a high and beneficial impact

Position Paper (in press)

International limits on number of offspring per gamete donor

Advocacy through the Coalition for Fertility

Raise awareness on involuntary childlessness at the EU Level
(in close collaboration with Fertility Europe and 10 other organisations)

Participation in an EU tender awarded to support implementation of the SOHO regulation

8 SOHO organisations supported by a consultancy group

3.5 Million Euro, spread over 2026 – 2028 for trainings and guidance

4 strategic goals

1

Expand Educational Resources

Hire an Education and Certification manager
Explore opportunities for public education

3

Restructure the Future

Revision of internal rules
Strengthening central office organisation

2

Raise awareness on Fertility

Ongoing collaboration with the Coalition for Fertility

4

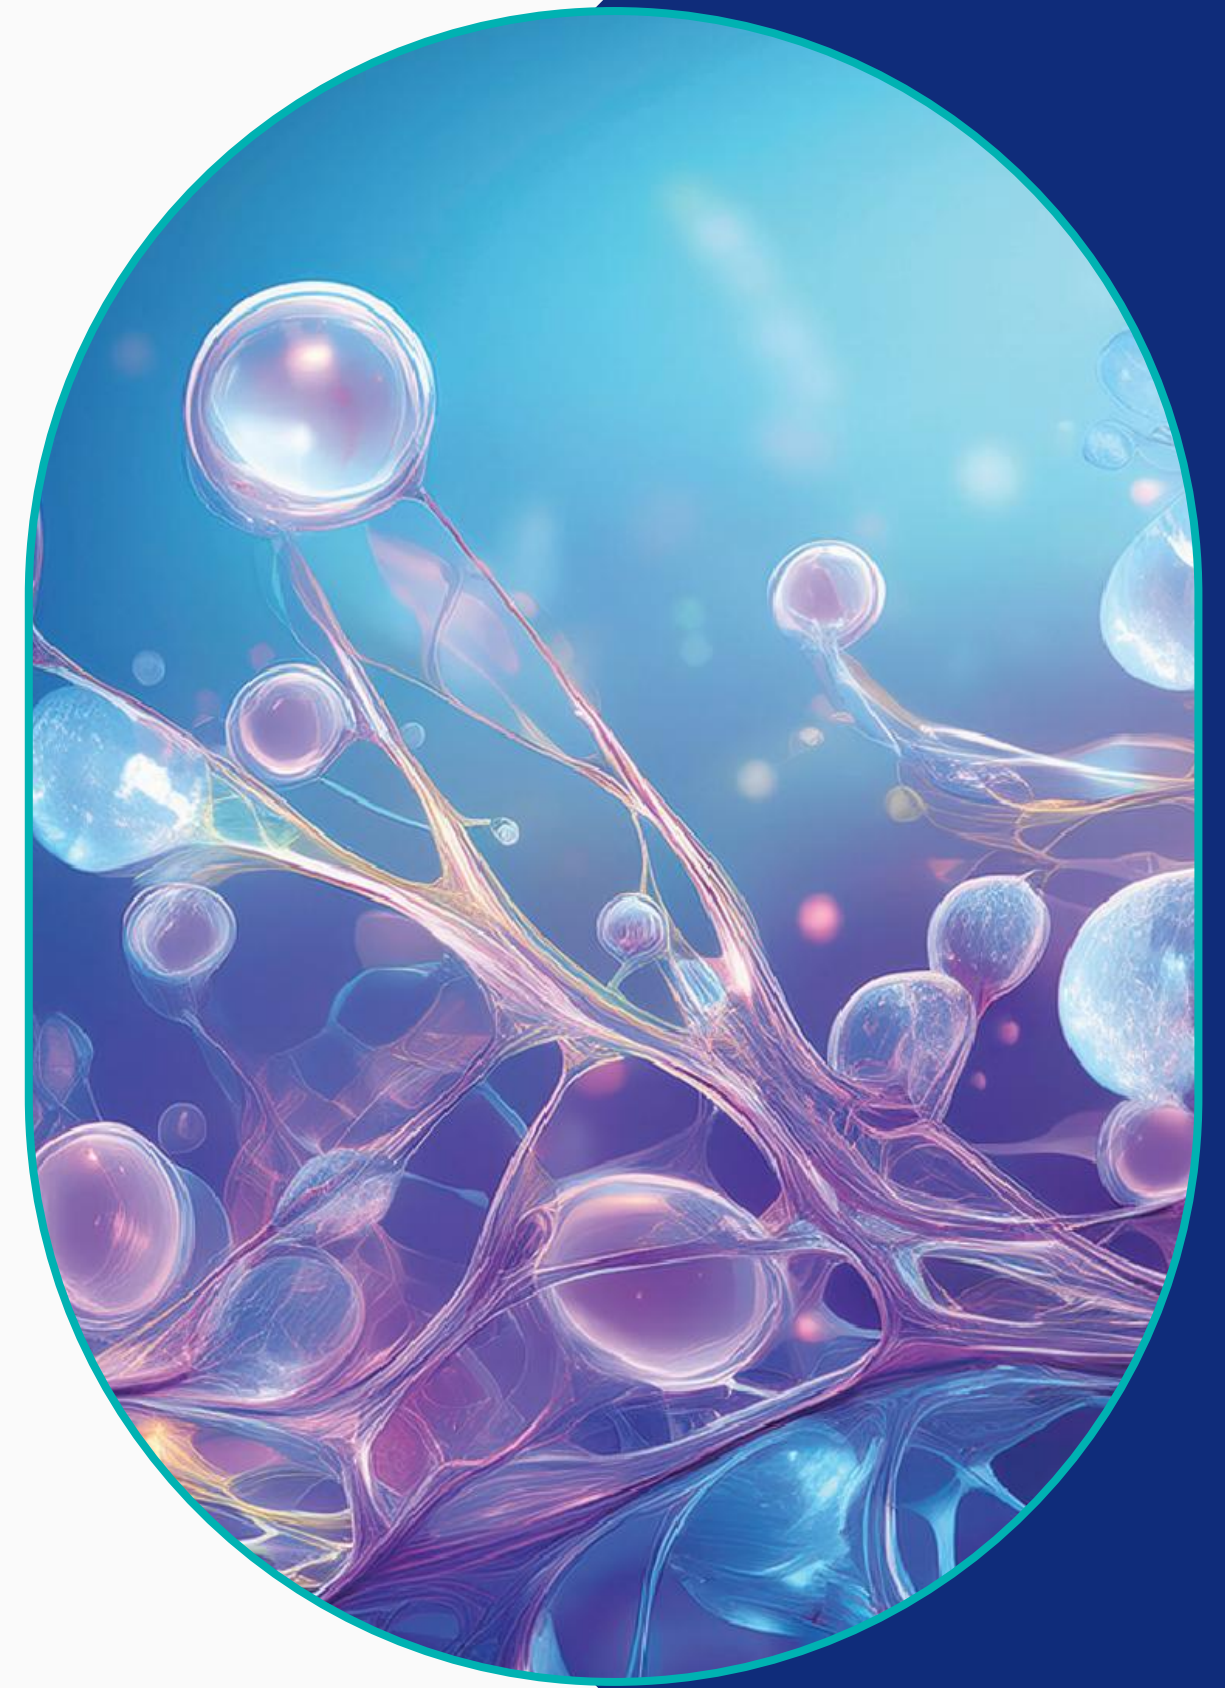

Support Research

Investigation towards the establishment of a research foundation

VOTING FOR APPROVAL

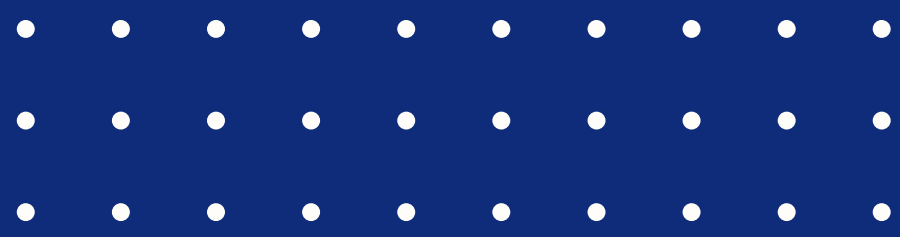

We invite the membership to approve the accounts for the year ending 31 December 2025?

- ☐ **I approve the 2025 accounts**
- ☐ **I do not approve the 2025 accounts**

We invite the membership to approve the accounts for the year ending 31 December 2025

VOTING FOR APPROVAL

We invite the membership to approve the budget for 2026

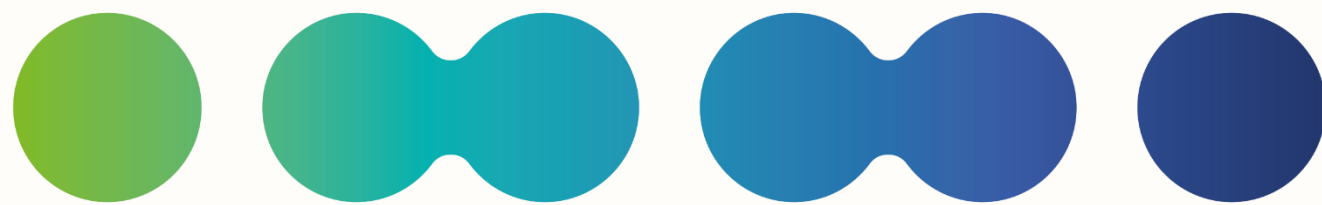

- ☐ **I approve the 2026 budget as presented**
- ☐ **I do not approve the 2026 budget**

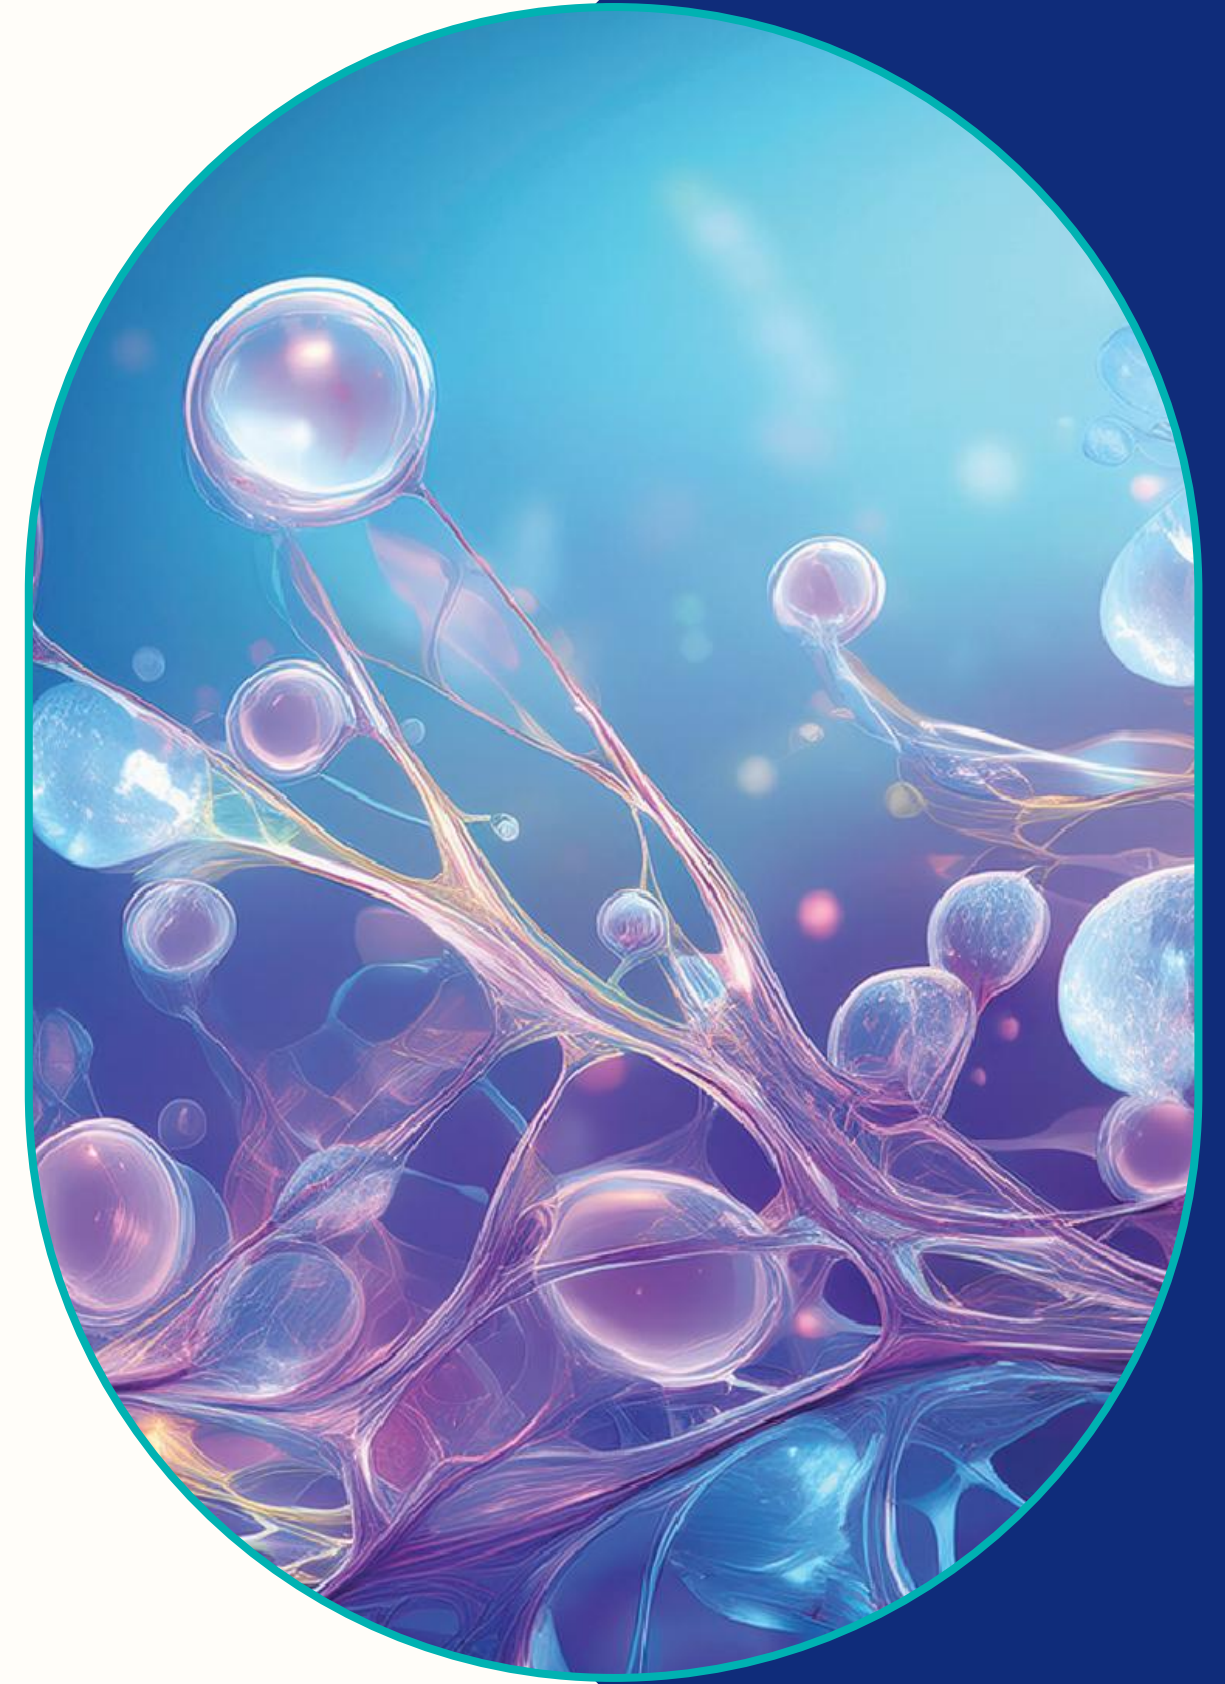

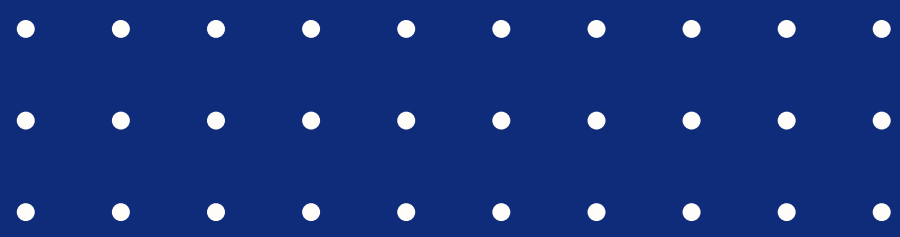

We invite the membership to approve the budget for 2026

Discharge of Liability

Annual General Assembly of Members 2026

VOTING FOR APPROVAL

We invite the membership to vote on the discharge of liability of the members of the Executive Committee for their activities during the past term.

- ☐ **I discharge the members of the Executive Committee from liability for their activities during the past term**
- ☐ **I do not discharge the members of the Executive Committee from liability for their activities during the past term**

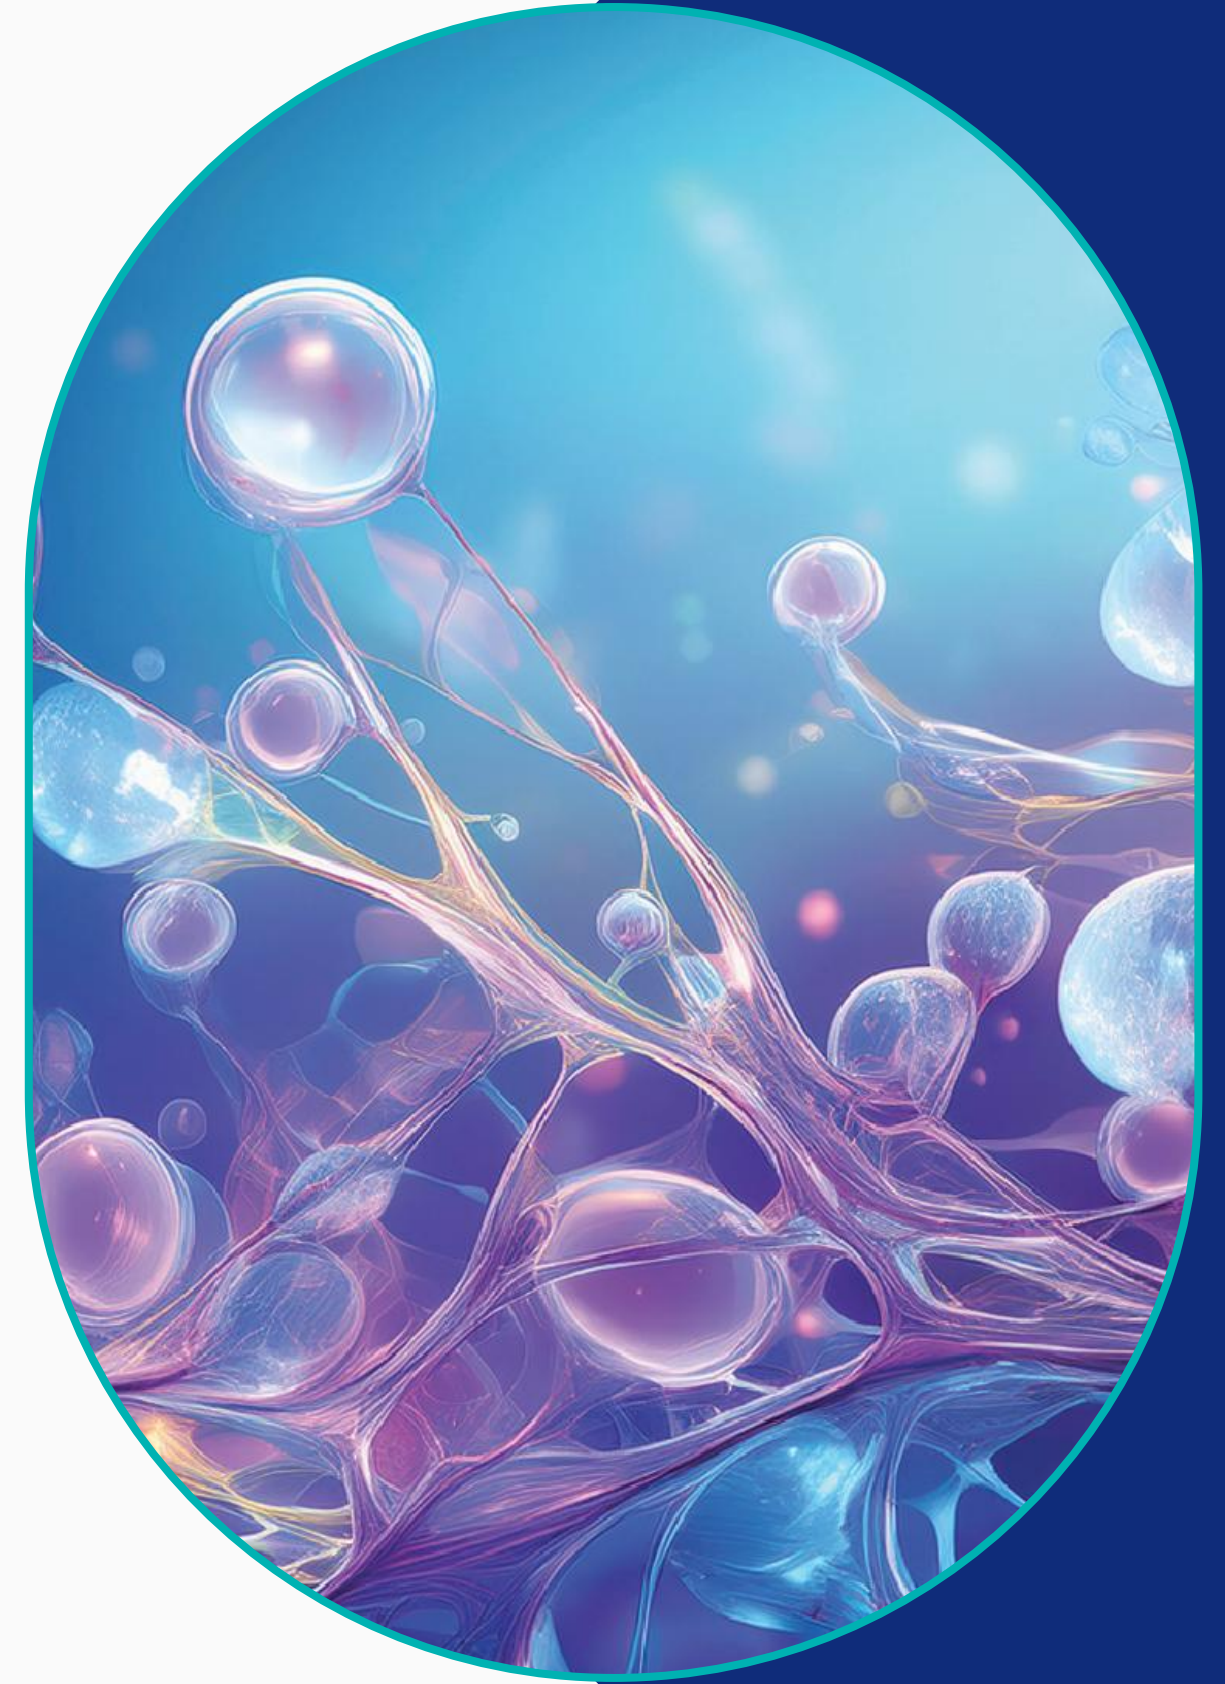

We invite the membership to vote on the discharge of liability of the members of the Executive Committee for their activities during the past term

Election of the Honorary Members for 2027

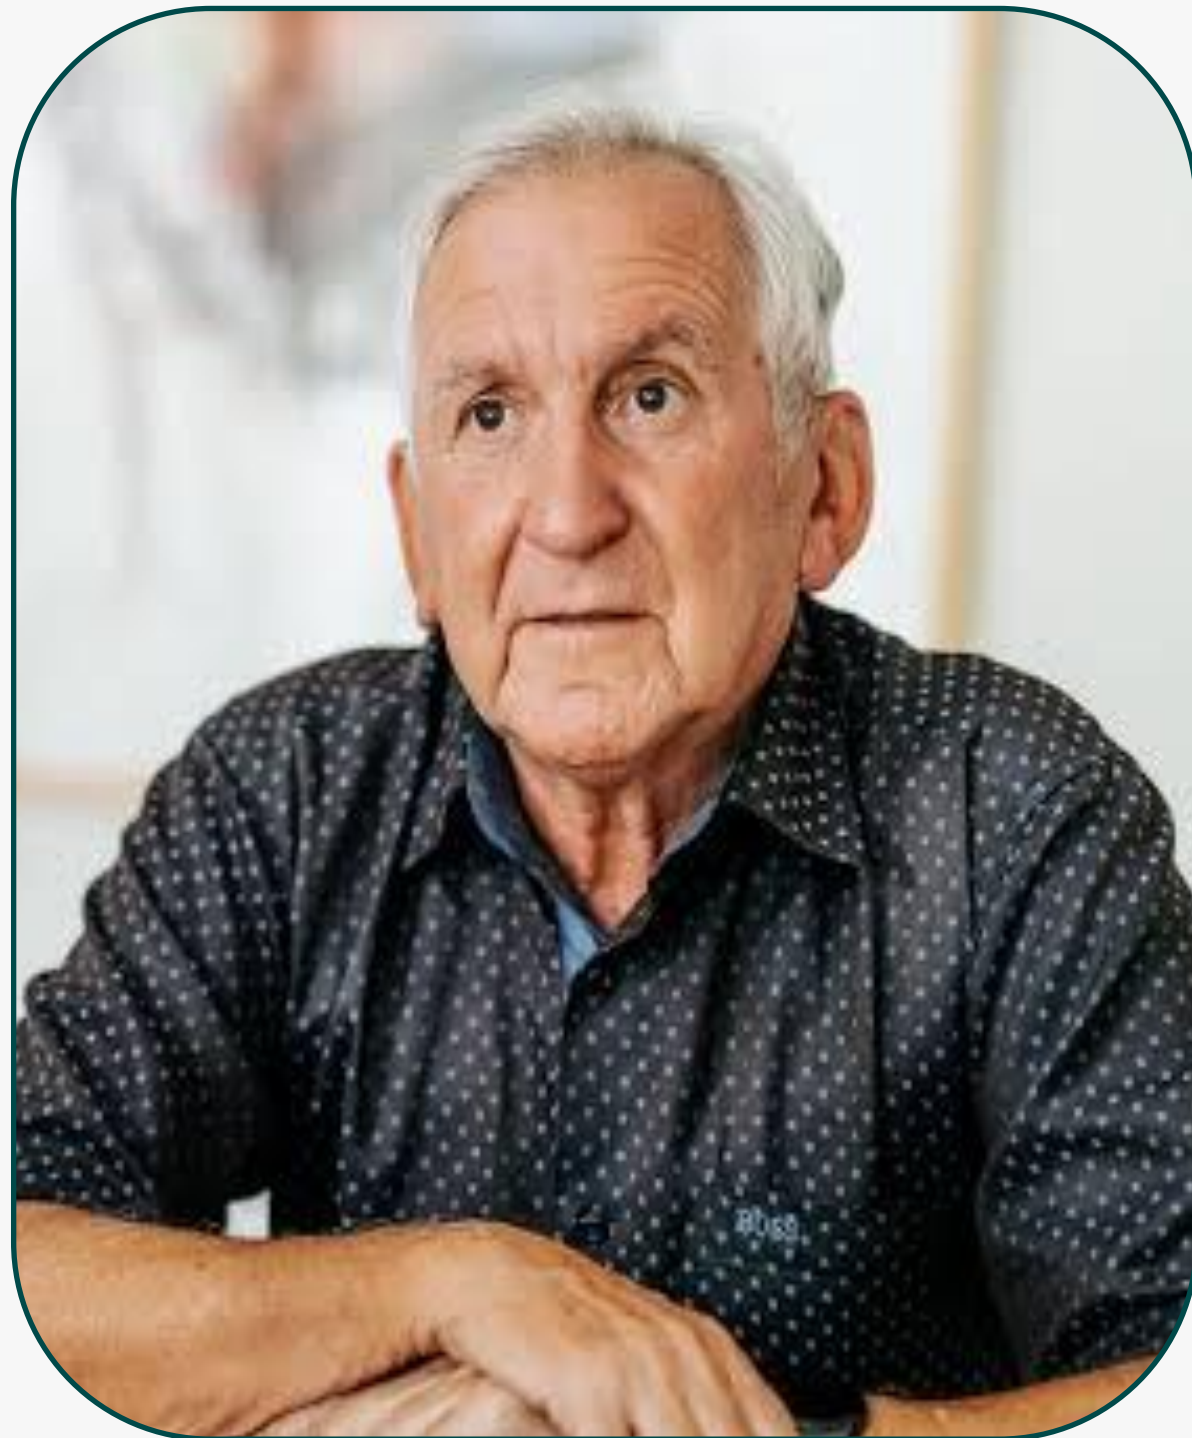

Annual General Assembly of Members 2026

Honorary Member 2027

Nominated candidate

Willem Ombelet

Several studies on maternal and perinatal outcomes after using ART.

Focus on the importance of preventing complications due to aggressive ovarian stimulation protocols, and on promoting single embryo transfer to prevent multiple pregnancies.

In 2010, he founded **The Walking Egg** non-profit organisation, striving to implement accessible infertility programmes in resource-poor countries.

Honorary Member 2027

Nominated candidate

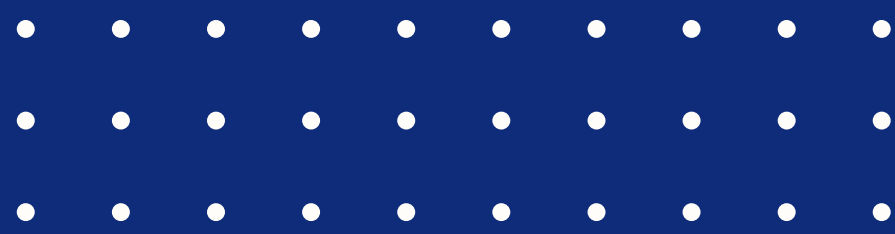

Matts Wikland

Broad and outstanding scientific and clinical contributions within the field of Reproduction, and specifically Medically Assisted Reproduction, which has contributed to simplified and safer treatments for millions of patients worldwide.

Contribution includes innovation in IVF tools, methods and workflow improvements in ART, particularly ultrasound guided oocyte retrieval, and vaginal ultrasound for IVF monitoring and egg collection.

Focus on promotion of single embryo transfer, and shift IVF practice toward safer and effective policies

VOTING FOR APPROVAL

The Executive Committee proposes to elect Willem Ombelet and Matts Wikland as Honorary Members for 2027 and invites the membership to endorse these nominations.

- ☐ **I endorse the nomination of the two proposed Honorary Members for 2027**
- ☐ **I do not endorse the nomination of the two proposed Honorary Members for 2027**

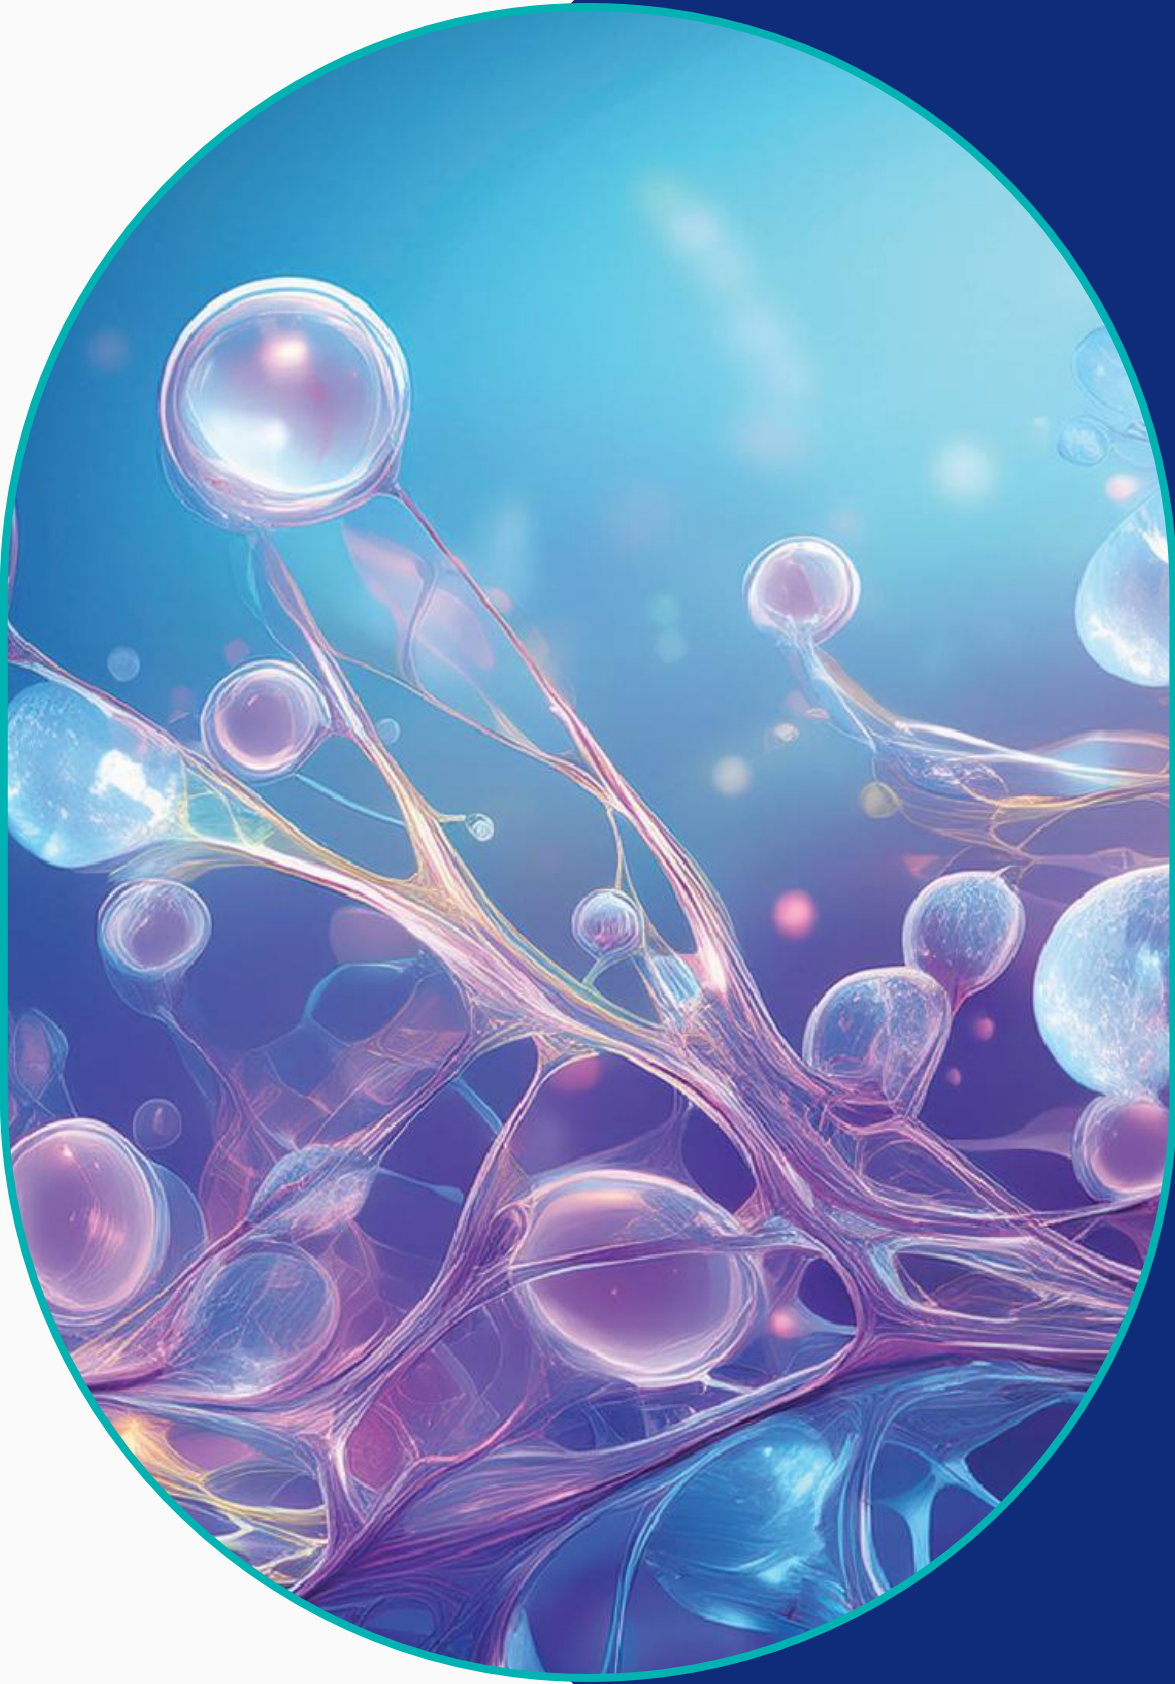

The Executive Committee proposes to elect Willem Ombelet and Matts Wikland as Honorary Members for 2027 and invites the membership to endorse these nominations
